(added language underlined)

RULE 30. CITATION OF CERTAIN AUTHORITY

(b) Citation of Supplemental Authority. When pertinent and significant authority comes to the attention of a party after the party's brief has been filed or after oral argument but before the decision, a party shall promptly file notice with the Clerk, and serve all other parties. In no case will supplemental authority—pertinent and significant or otherwise—be accepted by the Clerk for filing fewer than 7 days preceding a scheduled oral argument, without leave of the Court. The notice shall set forth the citation(s) to the authority or include a copy of the supplemental authority if it is not readily available in a reporter system. The notice shall refer to the page of the brief or to a point argued orally to which each citation pertains, and shall state without argument the reasons for the supplemental citation(s). Any response shall be made promptly and shall be similarly limited.
